

SAS APRIL NEWSLETTER

SO YOU KNOW.....

The past month, although long, went by very quickly. As one community, we marked the beginning of Lent by receiving ashes on Ash Wednesday. Our Lenten journey continues with Stations of the Cross, every Friday. If you have time, we invite you to join us.

Our second graders received the **Sacrament of Reconciliation**. It was a beautiful ceremony; the children did a great job. Many thanks to all the parents and relatives who attended. Your presence was very much appreciated. We are all looking forward to their First Holy Communion.

We celebrated our **100th Day of School** and, all students, PreK3 to Gr. 8, had fun showing off their creations at our Fashion Show. Judging by the outfits worn that day, we clearly have some very creative and ingenious students.

Pi Day was a big success. If you follow us on Facebook/Twitter, you must have enjoyed seeing the videos and pictures posted to mark the day's special moments. Congratulations to Sabrina Fallon, in gr. 6, who was able to name the first 200 decimal numbers in Pi infinite value. It took her over 4 minutes to write them down. If you have not had the chance to see the video, we encourage you to see it since it is quite a feat.

We also had time for some after school fun. Our **Grab Bag Bingo** was a bit hit. Based on the very positive responses, we hope to be offering this fun family event again. Grades 5-8 had a blast at our Student Council's sponsored event at **Town Line**. Whether hitting strikes or throwing gutter balls, everyone a great time socializing outside of school. Many thanks to Mrs. Cain and Student Council President, Christian Topinio and Ciara Martin, our Vice President, for planning the event.

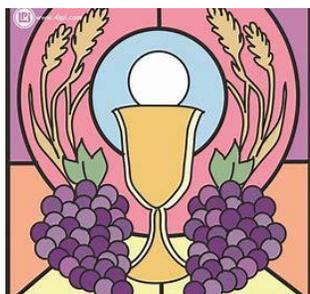

If you were able to attend our Financial Assistance Night with Jiovana Berca, thank you. Hopefully, the information presented will make the FACTS Grand & Aid application process a bit easier to complete. If you need more help or have questions, please let us know.

Lastly, we are evaluating options for our Summer Program, which would run from July 8 to August 16. We have several families interested so, to get a better sense of exactly what the enrollment will be for each week, we are planning to send home a flyer outlining what the program would offer. Once we get your responses back, we will make a final decision. **As always thank you for your continued support.**
